MCCAMELY RELEASES STATEMENT ON CERVANTES' EXIT FROM HOUSE RACE

(Las Cruces, NM) – Today Dona Ana County Commissioner and congressional candidate Bill McCamley released the following statement on State Representative Joe Cervantes' decision to exit the race for US House:

Although Representative Cervantes and I may not agree on every issue, he is a dedicated state legislator who serves the citizens of his district and the State of New Mexico very well. On ethics reform, tax fraud, and a whole host of other issues, Representative Cervantes has a distinguished record. While I am impressed by his decision to put his family first, I strongly hope he will continue his career as a public official. His commitment to both family and public service are commendable.

McCamley announced his candidacy for the Second Congressional District in April. Since then, he has raised over \$200,000 and has visited all 18 counties in the Second District. He has received endorsements from eight elected Democratic officials in the Second District.
